MAMBDC 20TH Annual Dinner

On behalf of the Mid America Minority Business Development Council board of directors and staff, we want to thank those MBEs and corporate partners who provided sponsorships, donations or purchased corporate tables for the MAMBDC Awards Dinner that was held January 26, 2006 at the Overland Park Marriott.

This event recognized excellence in minority business development and honored Minority Business Enterprises (MBEs) and corporations for their commitment to quality, diversity and teamwork.

The event began at 12 p.m. with a wonderful lunch followed by the awards presentations. The seven award winners were:

- MBE Supplier of the Year - Controlled Environment Products, Marilyn Townsend for excellence in service and business success.

All of our award recipients should be very proud of their progressive diversity initiatives and business accomplishments.

of 2006.

Over 75 booths featuring everything from food manufacturing company to car dealerships were represented that day. Exhibitors were given opportunity to network.

“The BOF is an event in which Ameristar is proud to participate every year. This year’s event gave me an opportunity to spend more quality time with vendors and really learn how their goods and services could benefit our business. I was also able to speak with representatives from other large companies to share best practices in their procurement processes to see how they are achieving their diversity initiative goals,” said Karen Duffy, Purchasing Manager for Ameristar Casino Hotel Kansas City.

“Through our sponsorship level, we were able to give a second booth to one of our new minority vendors, Christina Sloan of Li’L Guy Foods. It was rewarding to watch Sloan develop relationships and work to expand her business as well,” added Duffy. Several new Corps & MBE’s exhibited this year.

The trade show was from 12-5pm. The Silent /Live Auction raised over \$7K for the MBE Scholarship Fund.

Danny Glover was the keynote speaker. For the second year in a row MAMBDC partnered with Kauffman Scholars to allow them the opportunity to get up close and personal with a celebrity.

The Kauffman Scholars is a comprehensive, multi-year program designed to help promising yet challenged urban students in Kansas City prepare for and complete a college education. The program provides support to students beginning in seventh grade and works with students until they complete college.

Again, thanks to all these companies for joining together to support the event and the organization.
